WRESTLEMANIA VIII®

INTRO

THE HOOSIER DOME • INDIANAPOLIS, INDIANA • APRIL 5, 1992

WrestleMania VIII is here. The Hoosier Dome in Indianapolis, Indiana, is the site of this spectacular that includes three matches in which WWF championship titles will be decided.

WWF Champion Ric Flair, who won the title at the *Royal Rumble*, defends his belt against Macho Man Randy Savage, who, as noted elsewhere in this program, has personal reasons to thrash Flair. Rowdy Roddy Piper, the WWF Intercontinental Champion, faces the challenge of former champion Bret "Hit Man" Hart. Both have great respect for one another as wrestlers, but once the bell sounds, they will go for the kill. WWF Tag Team Champions Million Dollar Man Ted DiBiase and IRS, managed by Jimmy Hart, will meet the Natural Disasters, Typhoon and Earthquake.

A title is not at stake when Hulk Hogan goes up against the towering Sid Justice, but the match should be a grueling affair. Justice has played dirty with the Hulkster, who vows to set matters right.

There's a lot of bad blood between the Disasters and DiBiase and IRS, who recently won the belts in Denver. The Disasters felt that their former manager, Jimmy Hart, wasn't pulling the right strings for a title shot. Thus a rift formed between the manager and the Disasters. Not long after the Disasters and the Mouth split, DiBiase and IRS hired him as their manager.

In a bone-chilling match, former allies the Undertaker and Jake the Snake will battle to the death. Eight-man tag team action pits the Mountie, Repo Man and the Nasty Boys—Knobbs and Sags—against Big Boss Man, Virgil, Hacksaw Jim Duggan and Sgt. Slaughter. El Matador says he will humble Shawn Michaels. Newcomer Tatanka says he will do the same to the Model Rick Martel. The British Bulldog will tangle with the Berzerker, who vows to put his opponent in the city's dog pound, and the Rocket Owen Hart will trade blows with Skinner.

WrestleMania VIII is here! So enjoy!

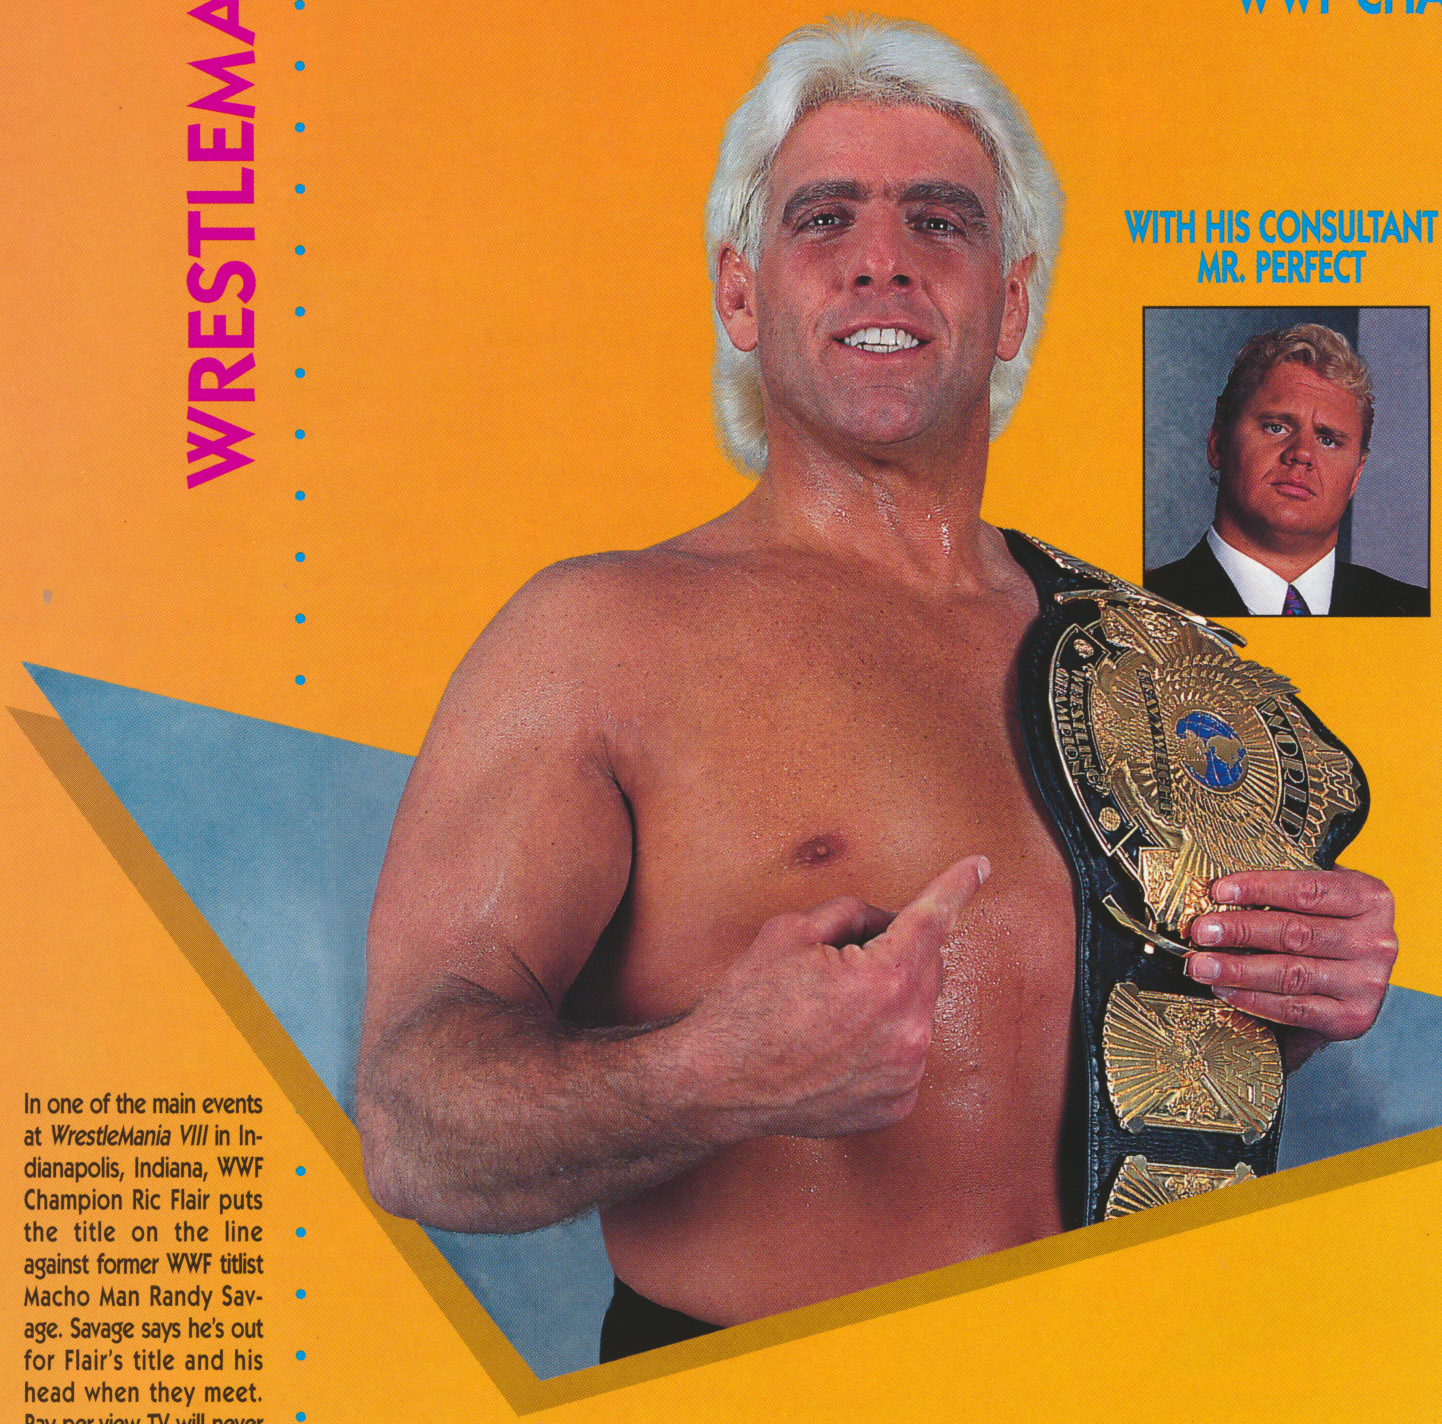
WRESTLEMANIA VIII

WWF CHAMPION

RIC FL
MACHO MAN R

WWF CHAMP



WITH HIS CONSULTANT
MR. PERFECT

In one of the main events at *WrestleMania VIII* in Indianapolis, Indiana, WWF Champion Ric Flair puts the title on the line against former WWF titlist Macho Man Randy Savage. Savage says he's out for Flair's title and his head when they meet. Pay-per-view TV will never be the same again.

AIR vs ANDY SAVAGE

ONSHIP MATCH

DOUBLE MAIN EVENT

Former WWF Champion Macho Man has a second chance at glory when he wrestles current titleholder Ric Flair. WWF President Jack Tunney deemed Savage the No. 1 contender for Flair's belt after the president inked the match between the Hulkster and Justice.

Tunney's decision didn't sit well with Flair and his Executive Consultant, Mr. Perfect. They complained and tried to lobby against Tunney's ruling. It didn't do them any good. Thus Flair and Perfect went back to the drawing board to devise a strategy against the Macho Man.

Flair and Perfect concocted a strategy, all right. Some strategy. They convinced the editors at *WWF Magazine* to run photographs supposedly showing Savage's wife, Elizabeth, with the current WWF Champion. By doing so, Flair and Perfect stooped to a new low, because they tried to destroy a marriage, one of the most sacred institutions on earth.

However, their actions won't go unpunished, says Savage. The Macho Man says he will try to beat Flair to within an inch of his life.

"Oh yeaa! *WrestleMania* means pay-back time," says Savage. "The Macho Man will destroy Ric Flair. Yeaa. I'm gonna get him!"

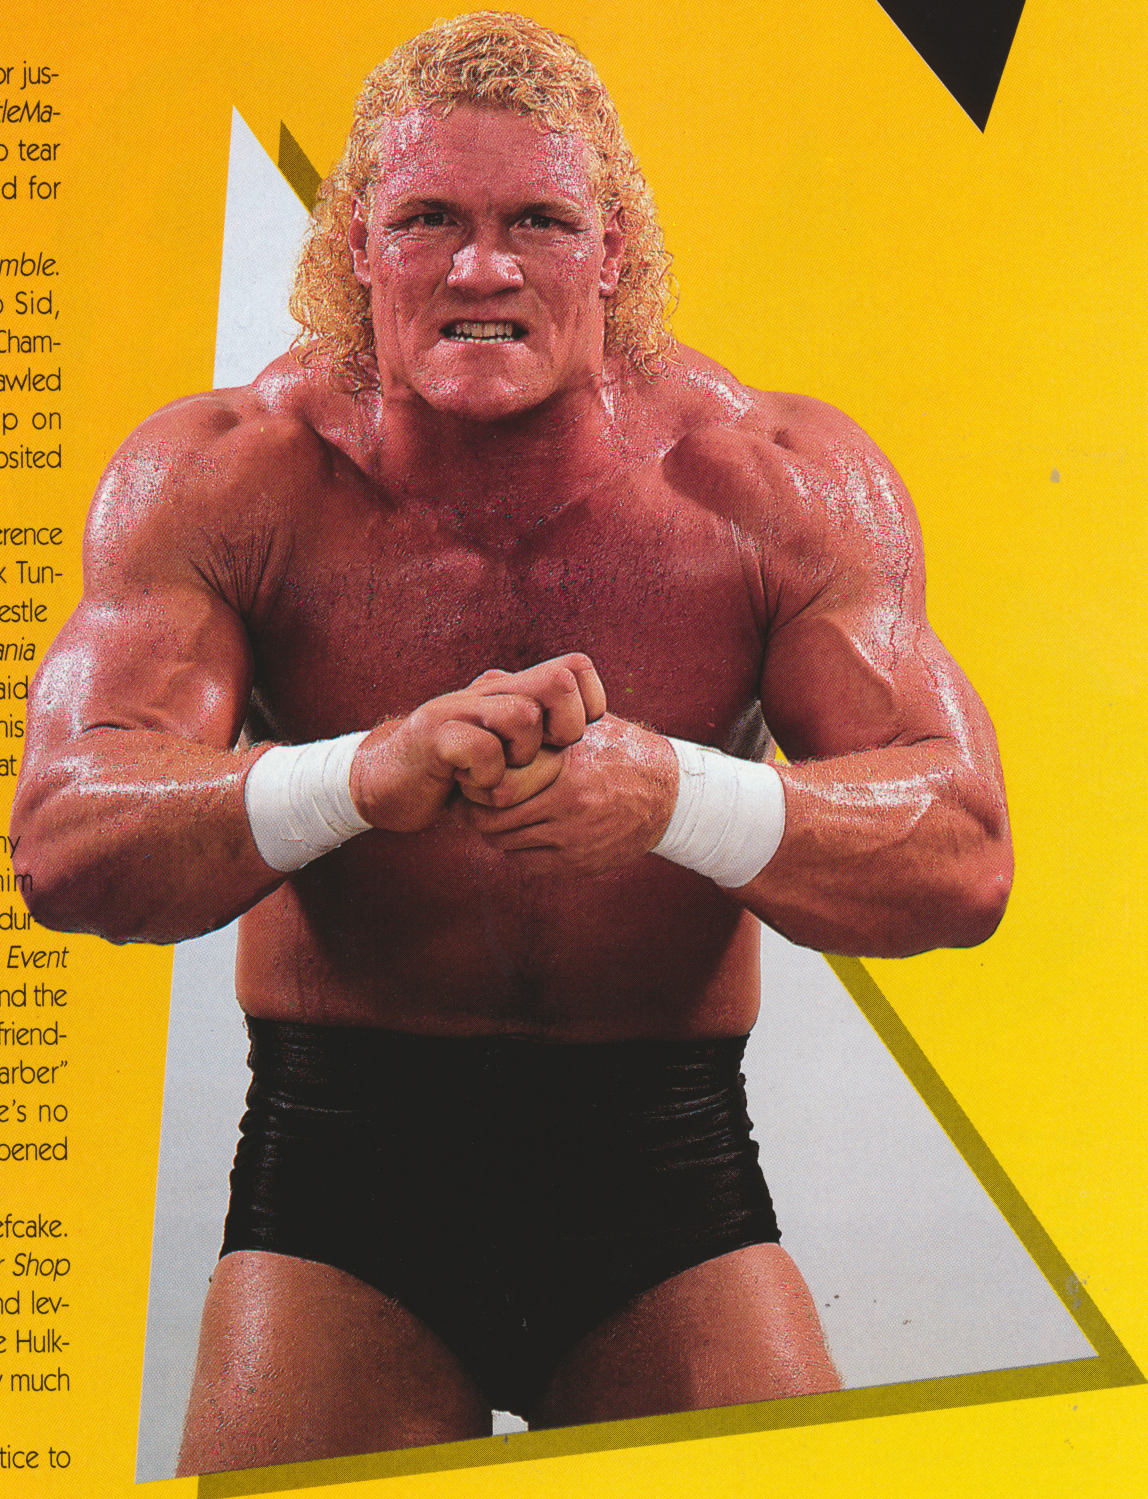
HULK H
vs SID

WRESTLEMANIA VIII

Hulk Hogan is ready to confront Sid Justice at *WrestleMania VIII*. Sid could be the Hulkster's greatest adversary to date. However, Hogan says he will rise to the occasion and defeat Justice. He also says he will dedicate the victory to his friend-until-the-end Brutus Beefcake.

HOGAN JUSTICE

DOUBLE MAIN EVENT



The Hulkster will be out for justice, Sid Justice, at *WrestleMania VIII*! Hogan wants to tear apart his former friend—and for more than one reason.

Hark back to the *Royal Rumble*. The match boiled down to Sid, Hulk and the would-be WWF Champion Ric Flair. While Hogan brawled with Flair, Justice crept up on Hogan's blind side and deposited him on the arena floor.

Then, during a press conference in which WWF President Jack Tunney declared Hulk would wrestle Flair for the title at *WrestleMania VIII*, Justice exploded. He said Hogan "couldn't beat Flair on his worst day and [Hulk] can't beat me on his best!"

Justice's building antipathy for the Hulkster engulfed him when he abandoned Hogan during a *Saturday Night's Main Event* that pitted them against Flair and the Undertaker. Had not Hogan's friend-until-the-end Brutus "The Barber" Beefcake intervened, there's no telling what might have happened to the former WWF titlist.

Justice then targeted Beefcake. Sid appeared on *The Barber Shop* with a metal folding chair and leveled the set. He later said the Hulkster would be leveled in very much the same manner.

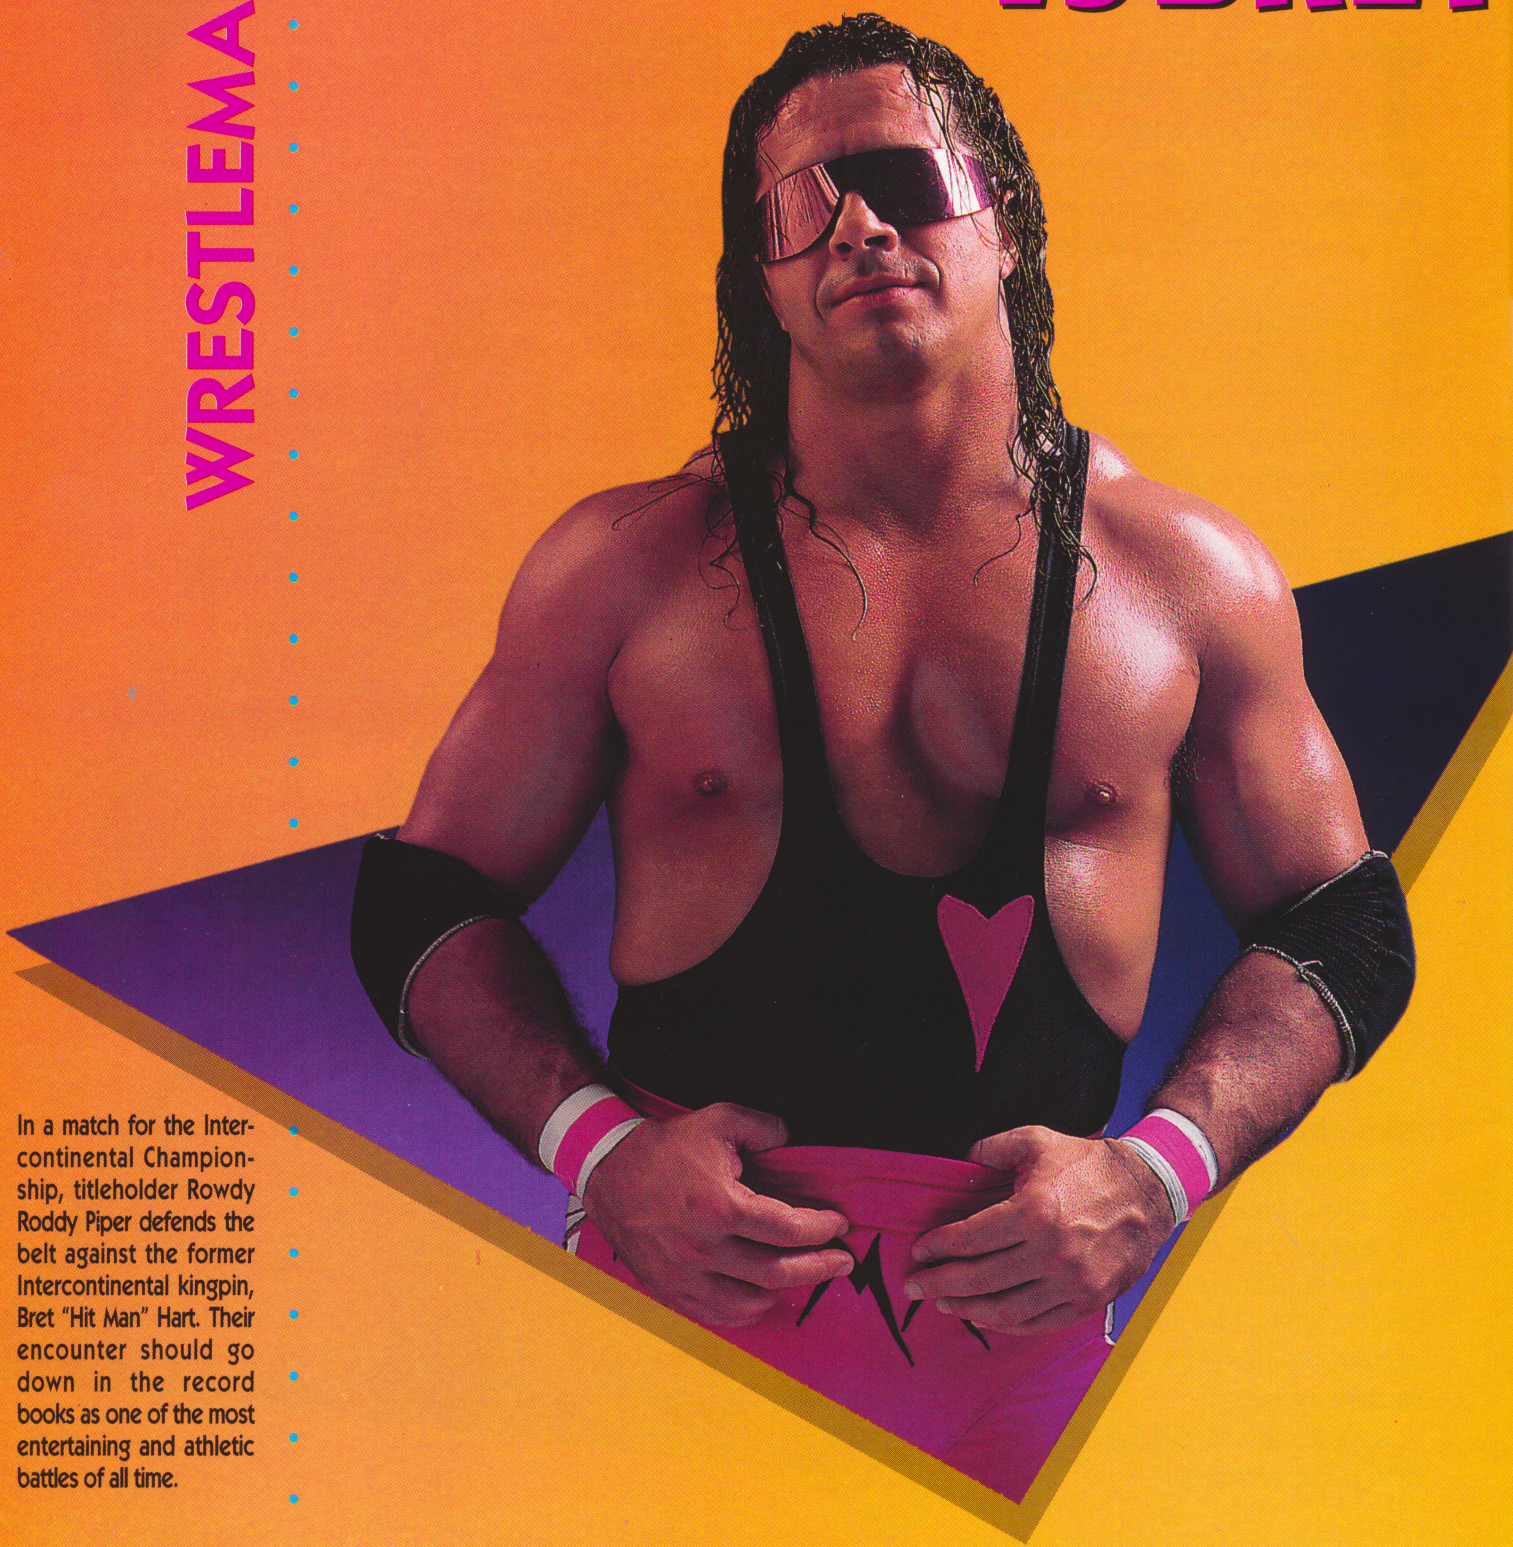
Now, it's time for Sid Justice to either put up or shut up.

WRESTLEMANIA VIII

ROWDY RO

WWF INTERCONTINE

vs BRET



In a match for the Intercontinental Championship, titleholder Rowdy Roddy Piper defends the belt against the former Intercontinental kingpin, Bret "Hit Man" Hart. Their encounter should go down in the record books as one of the most entertaining and athletic battles of all time.

DDY PIPER

NTAL CHAMPION

HART

WWF INTERCONTINENTAL CHAMPIONSHIP MATCH

The events leading up to this classic confrontation were unique. It started January 17 in Springfield, Massachusetts, when then-Intercontinental Champion Bret "Hit Man" Hart put his title on the line against the Mountie.

Although Bret was suffering from influenza and an accompanying 104-degree fever, he defied doctors' orders and fulfilled his contractual obligation. It was a move he would soon regret.

In the end, the Mountie, using a handful of tights, pinned the Hit Man with a reverse cradle. However, the title victory did little to satisfy the Mountie. He grabbed his newly won title belt and repeatedly battered the Hit Man. Rowdy Roddy Piper rushed to Hart's aid and, despite absorbing a thrashing with the belt, ran off the Hit Man's tormentor.

A day later, WWF President Jack Tunney announced that Piper would replace Hart and face the Mountie for the title at the *Royal Rumble*. Piper showed up in great form, defeating the Mountie with ease.

A rematch was ordered for *Saturday Night's Main Event*. The Hit Man, now fully recovered, was on hand and challenged the winner to a match at *WrestleMania VIII*. As is common knowledge today, Piper won. He immediately signed a match to face Bret at *WrestleMania VIII*!

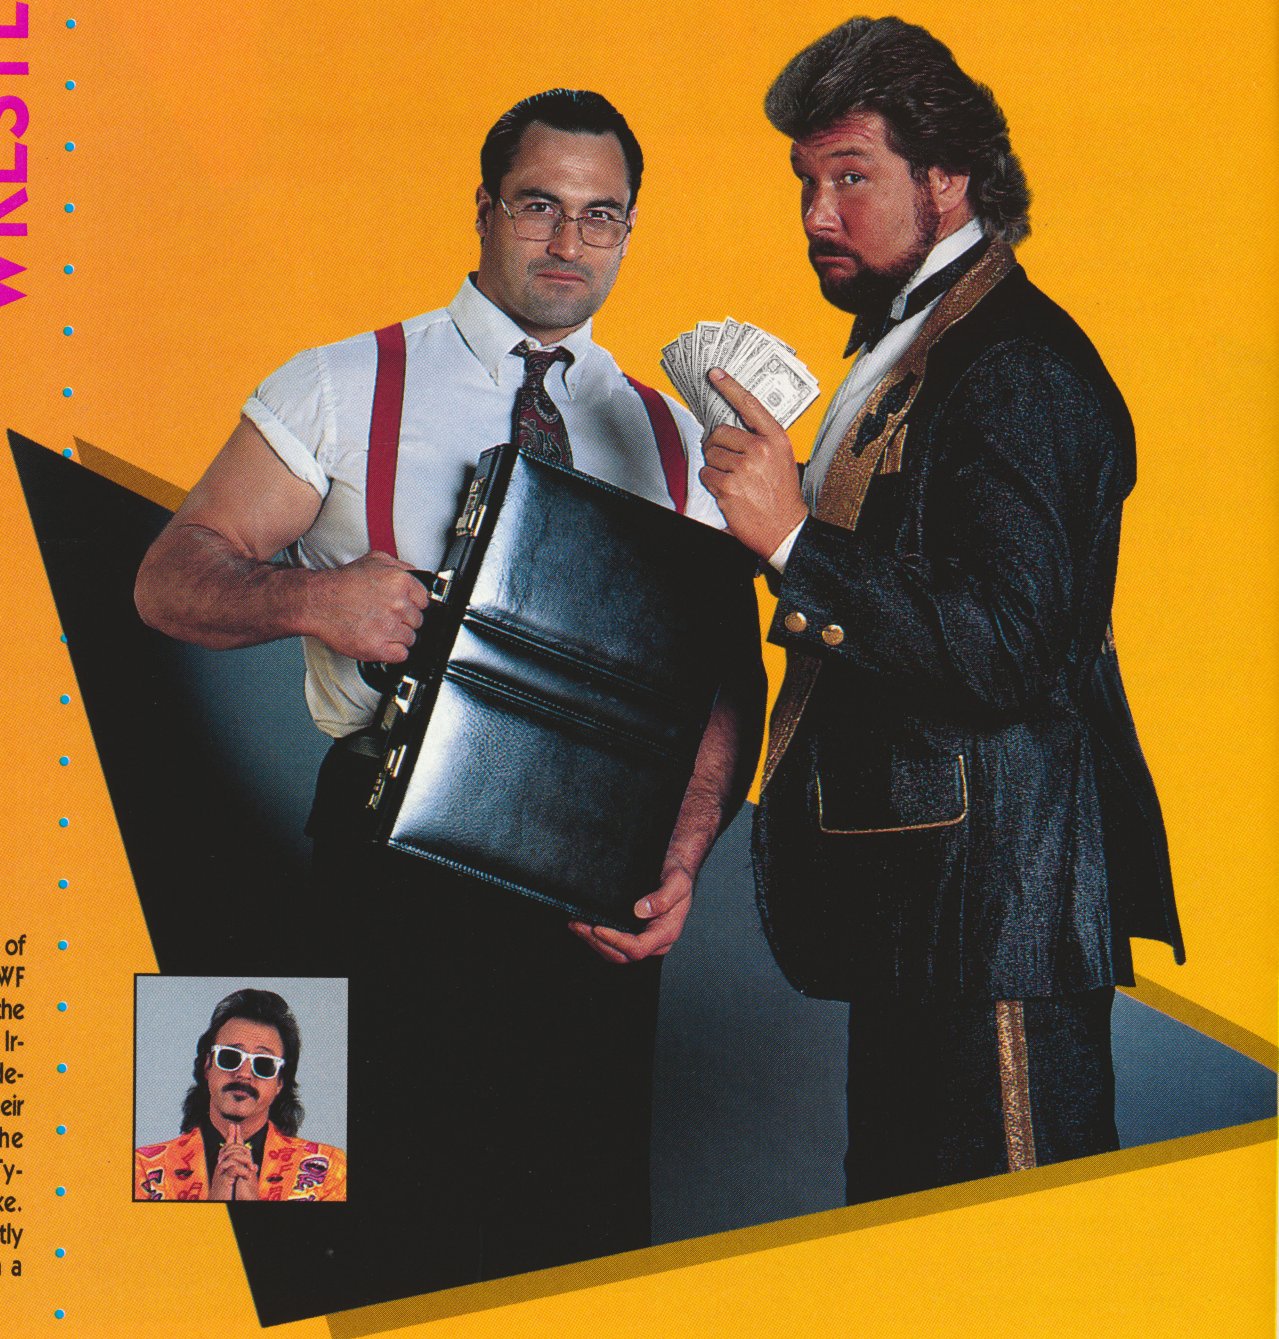
MILLION

MANAGED BY

vs NATURAL



Manager Jimmy "Mouth of the South" Hart's WWF Tag Team Champions, the Million Dollar Man and Irwin R. Schyster, will defend the title against their No. 1 contenders, the Natural Disasters, Typhoon and Earthquake. DiBiase and IRS recently captured the belts in a match in Denver.

JIMMY HART
DISASTERS

WWF TAG TEAM CHAMPIONSHIP MATCH

World Wrestling Federation Tag Team Champions the Million Dollar Man Ted DiBiase and Irwin R. Schyster, who's otherwise known as IRS, will put the title up for grabs when they battle the Natural Disasters, Earthquake and Typhoon.

The Disasters say they will storm the *WrestleMania* ring and take apart their foes with cataclysmic force. However, the WWF Tag Team Champions' manager, Jimmy "Mouth of the South" Hart, doesn't think anything of the sort will happen. He, if you recall, stabbed the Disasters in the back and says he revealed in detail to DiBiase and IRS all their secret strategies.

"Natural Disasters," croons the Mouth, "I spilled the beans about you, baby. I told the Million Dollar Man and IRS all there is to know about your weak points, and believe me, daddy, you two big clowns have got a heckuva lot of weak points. You can take it from me."

The talking will stop come *WrestleMania VIII*.

WRESTLEMANIA VIII

THE UNDERTAKER
MANAGED BY PAUL BEARER
VS
JAKE "THE SNAKE" ROBERTS

Former friends turned foes will meet at *WrestleMania VIII* when the Undertaker attempts to bury Jake the Snake. Deep-rooted antipathy exists between these athletes.

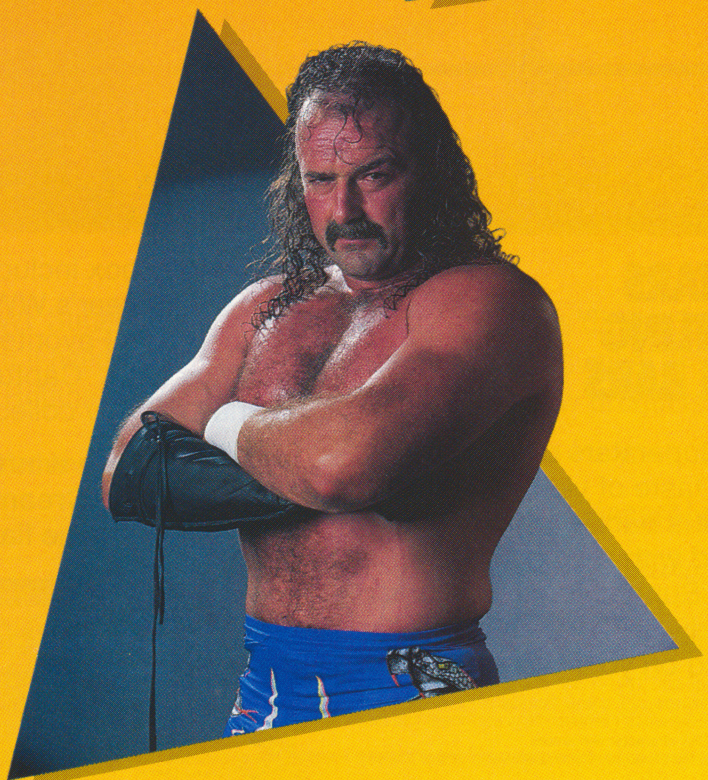
It started several months ago when the Snake lost a match to the Macho Man on *Saturday Night's Main Event*. Enraged over the outcome, the Snake walked behind the entrance curtain and bided his time.

He peeked through the curtain and saw Savage and his wife, Elizabeth, walking down the aisle. As they came closer, Jake picked up a chair and prepared to blast anybody who came near him.

Just when the couple was in striking range, the Snake wound up his weapon and aimed it at Elizabeth's skull. Surely, if the chair made impact, Elizabeth would suffer severe, possibly permanent, injuries. This was not to be.

From behind, the Undertaker, with Paul Bearer at his side, reached out and grabbed the chair, which gave Savage time to retaliate.

The following week, the Snake confronted the Undertaker on *The Funeral Parlor*. He insulted the Grim Reaper before locking his arm in a casket when the Undertaker reached for his urn. From there, Jake went on a rampage. He snatched Paul Bearer and crushed him with the DDT. He grabbed a chair and viciously pummeled the Undertaker. Now the Undertaker wants revenge.



The Undertaker and Jake the Snake were once the closest allies here in the World Wrestling Federation. Recent events have changed all that. Jake the Snake jumped the Undertaker several months ago on *The Funeral Parlor*. Since then, the Grim Reaper has been dying to lay the Snake to rest.

WRESTLEMANIA VIII

THE BRITISH BULLDOG VS THE BERZERKER

The British Bulldog and the Berzerker are two of the WWF's strongest competitors. Their match should be a bruising affair. The Bulldog polishes off opponents with a running powerslam. The Berzerker, who opts to win his matches via count-out, throws opponents over the top ropes.

The United Kingdom's favorite athlete, the British Bulldog, will have his work cut out for him when he collides with the Berzerker at *WrestleMania VIII*. The Bulldog says he will try to throw the massive Northman off-balance with textbook wrestling maneuvers and powerful clotheslines. If he's successful with these tactics, the Bulldog adds, he will attempt to end things with his awesome running powerslam.

The Berzerker, though, will be a tough man to powerslam. He weighs close to 320 pounds. He knows how to use his mass to dismantle the opposition. His manager, Mr. Fuji, says the Berzerker will do just that when he wrestles the Bulldog at *WrestleMania VIII*.

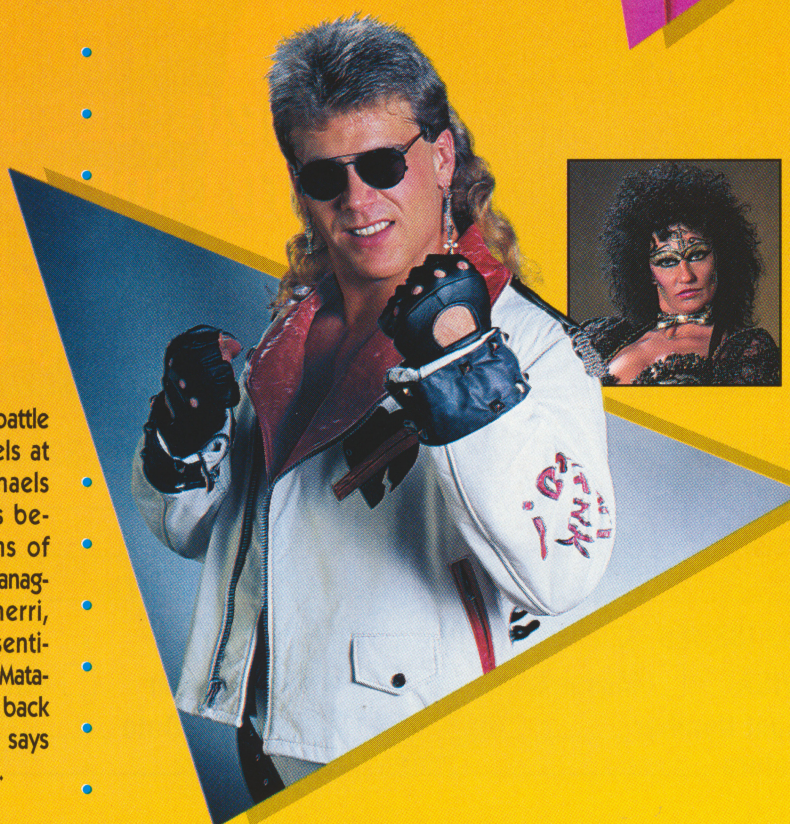
WRESTLEMANIA VIII

EL MATADOR VS SHAWN MICHAELS

MANAGED BY SENSATIONAL SHERRI

Shawn Michaels says that he will definitely humiliate El Matador at *WrestleMania VIII*. Michaels, along with his manager, Sensational Sherri, says El Matador is far beneath him as a competitor.

"Hey, what can I say?" asks Michaels. "I'm a much better wrestler than El Matador. I'm a much better athlete than El Matador. And, according to my No. 1 babe, Sensational Sherri, I'm much better-looking than El Matador. He's in for the ultimate wrestling lesson of his career when he comes up against Shawn Michaels at *WrestleMania VIII*."



El Matador has a different outlook on the subject. A seasoned ring veteran, El Matador has participated in every *WrestleMania* since its inception in 1985. He says that he's seen Michaels' kind of wrestler come and go over the years.

"I would be a fool if I said Shawn Michaels isn't a tremendous wrestler with a strong repertoire of ring skills," admits El Matador. "But his attitude has got to go. And El Matador will be the man who can get rid of Shawn Michaels' self-righteous attitude when all the action begins at *WrestleMania VIII*! Ole!"

El Matador will do battle with Shawn Michaels at *WrestleMania*. Michaels says El Matador is beneath him in terms of wrestling skill. His manager, Sensational Sherri, echoes Michaels' sentiments. However, El Matador doesn't take a back seat to anyone. He says he will beat Michaels.

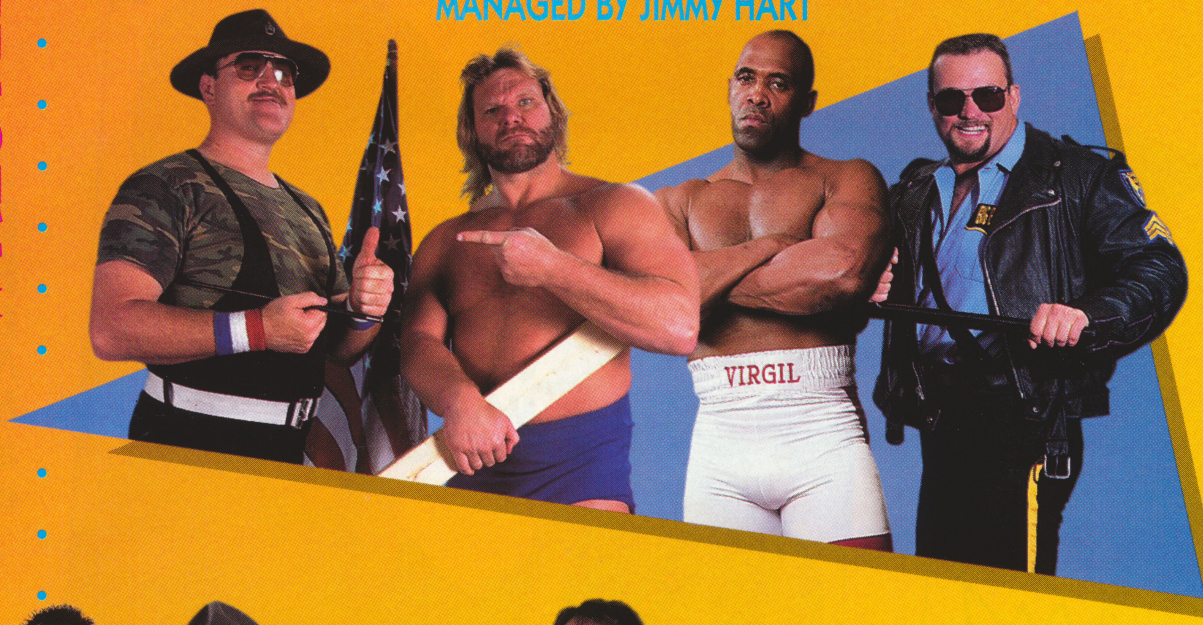
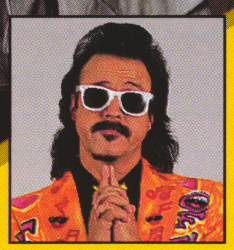
WRESTLEMANIA VIII

BIG BOSS MAN, SGT. SLAUGHTER, HACKSAW JIM DUGGAN and VIRGIL VS NASTY BOYS, THE MOUNTIE and REPO MAN

MANAGED BY JIMMY HART



Eight-man tag team action comes alive at *WrestleMania VIII* when Big Boss Man, Virgil, Hacksaw Jim Duggan and Sgt. Slaughter meet Knobbs and Sags of the Nasty Boys, the Mountie and Repo Man, who are all managed by Jimmy "Mouth of the South" Hart. This match will be explosive.



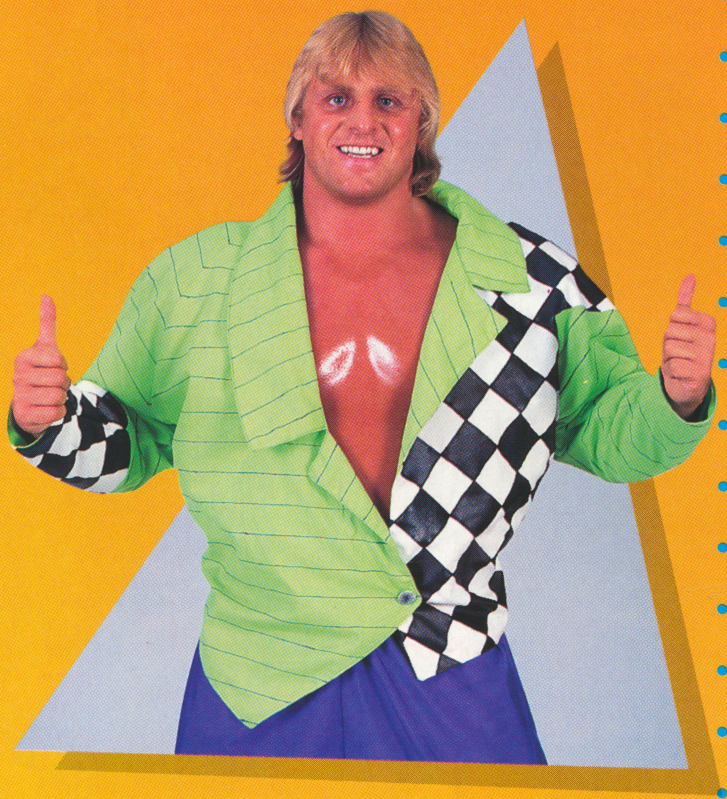
In an eight-man tag team altercation, Jimmy Hart's Nasty Boys, the Mountie and Repo Man will battle Big Boss Man, Virgil, Sgt. Slaughter and Hacksaw Jim Duggan.

Former prison guard the Boss Man can handle himself in any situation. The same is true for Virgil. Duggan and Slaughter are two bruisers who excel in various combat forms.

The Mountie is sneaky and dangerous. Repo Man is the same way. Nasty Boys Knobbs and Sags are two treacherous brawlers who enjoy tormenting the opposition.

THE ROCKET OWEN HART VS SKINNER

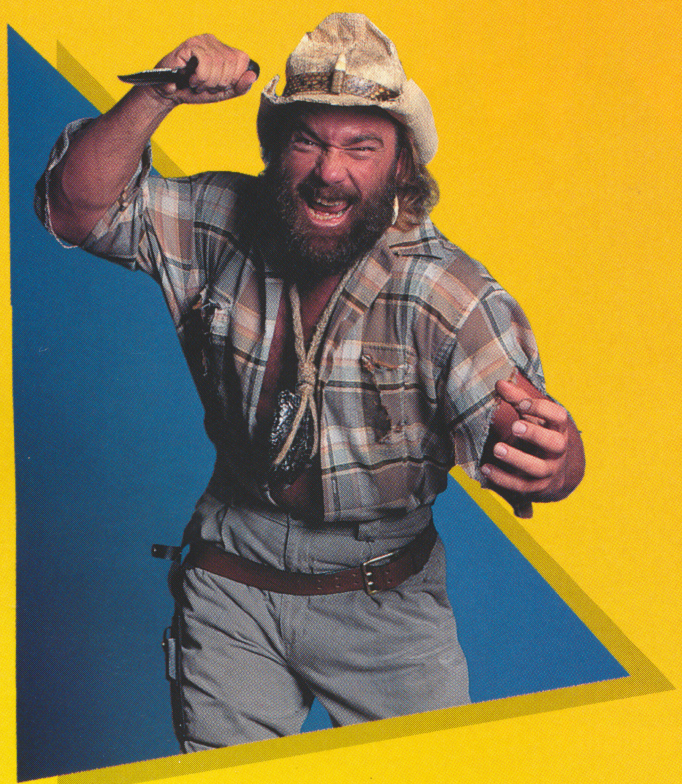
WRESTLEMANIA VIII



The Rocket Owen Hart has always had wrestling in his blood. Literally. His father, the legendary Stu Hart, taught Owen all the intricacies of the ring. His older brother, Bret "Hit Man" Hart, also taught him a great many useful tricks of the trade.

The Rocket displays his wrestling talent whenever he's in the ring. He can wrestle move for move, or he can dazzle the opposition with potent acrobatic tactics.

He will certainly need all his weaponry when he tangles with Skinner. This ruthless individual, who calls the Everglades his home, stops at nothing to attain his goals. He usually kicks, bites and spits tobacco juice at his opponents before doing them in with the Gatorbreaker. He says the Rocket will get more of the same in Indianapolis.



"All Skinner's been hearing these days is that Owen Hart is one tough customer," spits Skinner. "Skinner's also heard that the Rocket is one high-spirited boy. Well, Owen Hart, Skinner don't listen much to hearsay. I'm gonna show you what a lowdown fight is when I grab you by the scruff of your neck at *WrestleMania*, son. It ain't gonna be pretty!"

The Rocket Owen Hart says that he's looking forward to meeting Skinner in the ring at *WrestleMania VIII* on April 5 in Indianapolis, Indiana. When asked about the encounter, Skinner says he is eagerly anticipating the chance to skin Hart before the world.

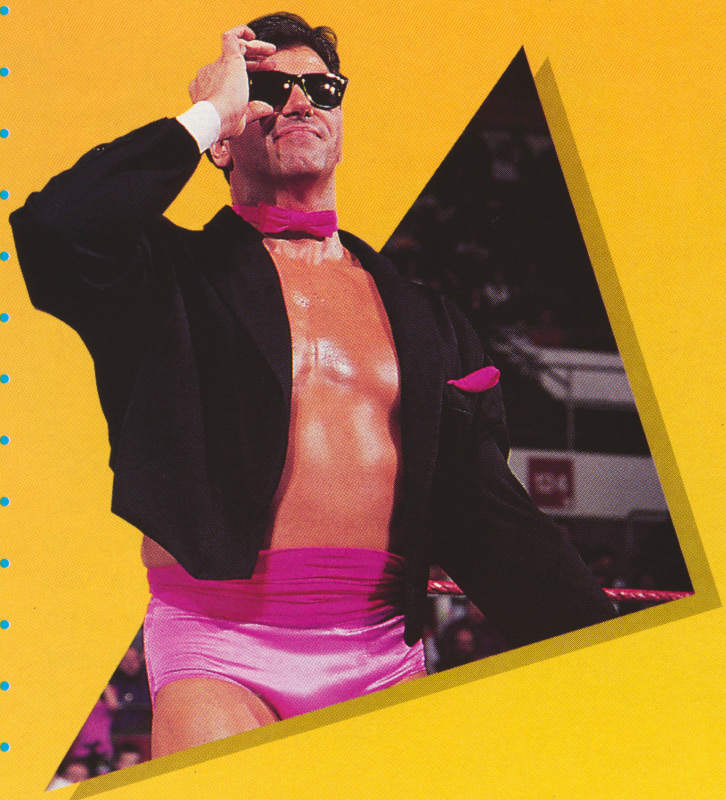
WRESTLEMANIA VIII

TATANKA VS THE MODEL RICK MARTEL

Tatanka, the Native American sensation, makes his *WrestleMania* debut this year. If you recall, Tatanka burst onto the WWF scene in January and has since beaten every opponent he has faced.

There's an explanation for Tatanka's success. His ring style, many people say, is awesome. He rushes to the ring screaming the Lumbee tribe war cry and immobilizes the opposition with a potpourri of powerful tactics. Tatanka laces into adversaries with tomahawk chops from the top turnbuckles and wrenching kneelifts to both the midsection and neck.

However, he will have to utilize all his resources and more if he plans to defeat the Model, whose wrestling ability is second to none.



Native American sensation Tatanka will make his *WrestleMania* debut opposite Rick Martel. He tells *WWF Magazine*—the official publication of the WWF—that he plans to storm the ring and take the fight to the Model. The Model, however, says he plans on teaching Tatanka a wrestling lesson.

The Model says he holds all Native Americans in contempt because, as Martel puts it, they don't attire themselves in "fashionable garb." Furthermore, the Model says he plans to give Tatanka the "wrestling lesson of his career" come *WrestleMania VIII*.

"This Tatanka looks like a slob," snaps the Model. "He dresses like an Indian slob, and he paints his face like an Indian slob. Well, at *WrestleMania VIII* in Indianapolis, the Model will teach that slob Tatanka about the importance of fine quality clothing and about the importance of fine quality wrestling."
